Continuing on with our center bloom

Round 34

Start in any st with a standing sc, sc in each st to end. Join, Fasten off

Total = 276 sc

Now we will create the corners. Corners are worked individually, working one full corner before moving on to the next corner

Start in any st.

Round 35

sc in 3 sts, skip 2, (4dc in next st) twice, skip 2, sc in next 3. Fasten off

Total = 6 sc, 8dc

Round 36

Start 3 sts before 1st sc from row 35

bl-sc in next 4 sts (*4th st will be in the 1st sc from {RD35}, Place a marker in this st*), skip 2, (2dc-cl, ch1) x 7, 2dc-cl in last dc of fan, skip 2,

bl-sc in next 4 sts (*1st st will be in the last sc from {RD35}, Place a marker in this st*). Fasten off

Total = 8 bl-sc, 8 clusters

Round 37

Start 3 sts before 1st sc from row 36, (*Leave stitch markers in place*)

bl-sc in next 5 sts, skip 2, (fpdc around cluster, ch2) x 3, fpdc around cluster, ch3, (fpdc around cluster, ch2) x 3, fpdc around last cluster, skip 2, bl-sc in next 5. Fasten off

Total = 10 bl-sc, 8 fpdc

Round 38

dc's are worked in the ch1sp between clusters from {RD36} pushing the ch2sp from row 37 behind.

Start 3 sts before 1st sc from row 37

sc in 3 sts, fl-hdc in next 3 free loops from {RD34},

skip 2, 2dc in the sc from {RD36} (*the marked st*).

sl-st in the 1st fpdc of fan {RD37}, (2dc in ch1sp between clusters {RD36}, sl-st in fpdc) x 3,

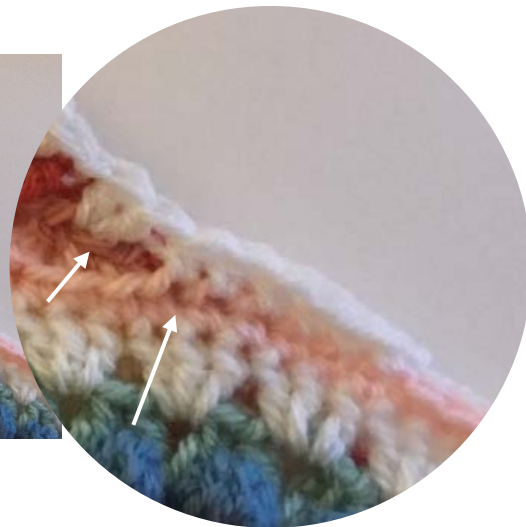

3dc in ch1sp between clusters {RD36},

(sl-st in fpdc, 2dc in ch1sp between clusters {RD36}) x 3, sl-st in last fpdc,

2dc in the sc from {RD36} (*the marked st*).

skip 2, fl-hdc in next 3 free loops from {RD34}, sc in next 3 sts. Fasten off

Total = 6 sc, 6 fl-hdc, 19 dc, 8 sl-sts

Round 39

Start 3 sts before 1st sc from row 38

bl-sc in next 9 sts, skip 2 dc, (fpdc around fpdc from {RD37}, ch3) 7 times, fpdc in around last fpdc {RD37}, skip last 2 dc, bl-sc in next 9 sts. Fasten off.

Total = 18 bl-sc, 8 fpdc

Round 40

Start 3 sts before first bl-sc from row 39

sc in 3 sts, fl-hdc in 3 front loops from {RD34}, fl-hdc in 6 fronts loops from {RD38}

(fpdc around next 2 dc from {RD38}, sc in fpdc from {RD39}) x 4,

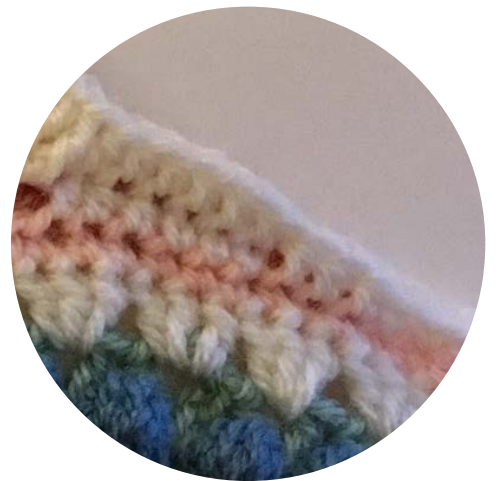

fpdc around next 3 dc from {RD38},

(sc in fpdc from {RD39}, fpdc around next 2 dc from {RD38}) x 4,

fl-hdc in 6 fronts loops from {RD38}, fl-hdc in 3 front loops from {RD34}, sc in next 3 sts.

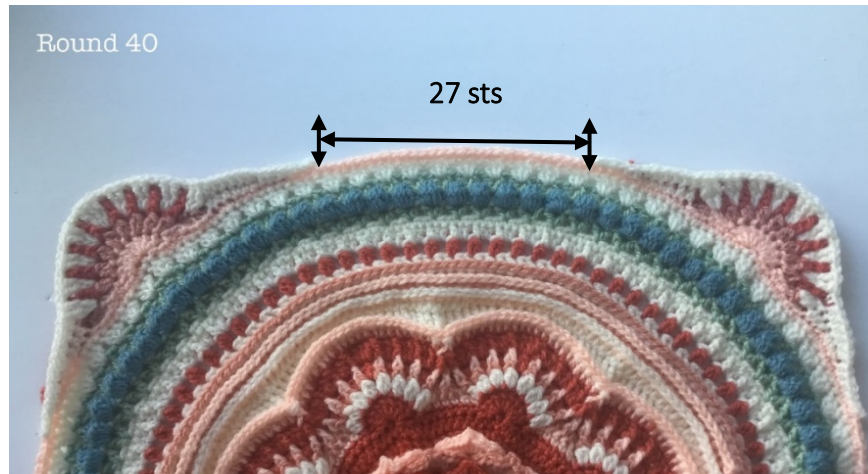

Fasten off.

Total = 14 sc, 18 fl-hdc, 19 fpdc

You have completed your first corner.
Count 27 sts from last sc of row 40
Starting in the next (43rd st) repeat rows 35 to 40

When you have completed your 2nd, 3rd and 4th corner you should have 27 sts between corners.

Round 41

Start in the corner dc which is the 2nd dc in the 3dc fan.

(sc, ch3, sc), sc x 25, hdc x 5, sc x 17, hdc x 5, sc x 25 Repeat 4 times. Join, Fasten off

Total = 10 hdc, 69 sc each side

Round 42

Start in any ch3 corner space.

(d-sc, ch2, d-sc in corner), (ch2, skip1, d-sc) x 39, Ch2 repeat 4 times, Join, Fasten Off

Total = 41 d-sc each side

Round 43

Start in any ch2 corner sp

*(4dc in corner), *place a stitch marker in the back loop of the 2nd & 3rd dc.* 2dc in each ch2sp to next corner* Repeat 4 times,

Join, fasten off

Total = 84 dc each side

Round 44

This round you will be working in the front loops only. If your sl-sts are tight and pulling change to a 4.5mm hook

Start in the 3rd front loop of any 4dc corner. Leave stitch markers in the back loops.

fl-sl-st in each st around the entire blanket. Join, Fasten off.

Total = 84 fl-sl-sts each side

Round 45

This round you will be working in the free back loops created in {RD43} only, behind the sl-sts just made. If you went up to a 4.5mm you can now switch back to a 4mm.

Start in the 2nd back loop of any 4dc corner (1st stitch marker). *bl-sc (1st stitch marker), ch3, bl-sc in next (2nd stitch marker) corner made, bl-sc in each st to next stitch marker * Repeat 4 times. Join, Fasten off

Total = 84 blsc each side

Measures 18 ½ "
