Full Video Tutorial by Helen Shrimpton – Crystals and Crochet
Working on Center Bloom square.

Round 46
Start in any ch3 corner sp. *(3tr-cl, ch2, 3tr-cl) in corner, (ch2, tr3tog) to next corner sp, ch2* 4 times, Join, Fasten off
Total per side = 28 tr3tog, 29 ch2sps, 2 tr-cl

Round 47
Start in any ch2 corner sp, *(tr, ch3, tr), V st in each ch2sp to next corner* 4 times, Join, Fasten off
Total per side = 29 Vst, 2 tr

WORKING ON WRONG SIDE

Round 48
Start in any ch3 corner sp. *(BO, dc, BO, dc) in corner chsp. (BO, dc) in each Vst to next corner chsp.* 4 times, Join, Fasten off
Total per side = 31 BO

WORKING ON RIGHT SIDE

Round 49
Start in-between the 2 corner BO. *(V st, Ch2, V st) V st in-between each BO to next corner* 4 times, Join, Fasten off
Total per side = 32 Vsts

Round 50
Start in any ch2 corner sp. *4 tr in corner, 3tr in each Vst to next corner* 4 times, Join.
Total per side = 100 tr

Floralia Part Six (UK)

Round 48 | Round 49 | Round 50

Round 51
Ch1, dc in same st, dc in each st all around the entire blanket. Join, Fasten off.
Total per side = 100 dc

Joining panels to center square
Using the diagram below join your panels to your center square using the same joining method as we used when joining panel squares.
Place panels and center square wrong side facing each, so you are working on the right side.
Join stitch to stitch using the outer loops only.
125 slip sts on each side (100 center square + 25 on adjoining panel)
Tip: place a stitch marker every 25 stitches on center panel, these should align with your 25 stitches per square.

Note DO NOT fasten ends away until instructed at the end of this part.

Important: After you have joined your panels, place stitch markers in the back loops of the 2nd and 3rd st of each corner 4htr on the new outer edge.

Round 52
This round you will be working in the front loops only. Change to a 4.5mm if your slip stitches are tight and pulling your work.
Start in the 3rd front loop of any 4htr corner.
fl-sl-st in each st around the entire blanket Join, Fasten off
You should have 25 sl-sts to each square for a total of 150 sl-sts on each side.

Round 52

Round 53
This round you will be working in the free back loops created in {RD52} only, behind the sl-sts just made. Pick up the 3rd loop for stability. Switch back to 4mm hook
Start in the 2nd back loop of any 4htr corner (1st stitch marker). *bl-dc (1st stitch marker), ch3, bl-dc in next (2nd stitch marker) corner made, bl-dc in each st to next stitch marker * 4 times. Join
**Total per side = 150 bl-dc, 2 ch3 corners**

Round 54
Sl-st in to corner space. Ch2 (counts as 1st tr of 3tr-cl) *(3tr-cl, ch2, 3tr-cl) in corner, (ch2, tr3tog) x 50, ch2* 4 time. Join. Fasten off
Total per side = 50 tr3tog, 51 ch2sps, 2 3tr-cl

Round 55
Start in any corner ch2sp. *(V st, ch3, V st) in corner, V st in each ch2sp to next corner* 4 times, Join. Fasten off.
Total per side = 53 Vst

Round 54

Round 55

WORKING ON WRONG SIDE

Round 56
Start in any ch3 corner. *(BO, dc, ch2, dc, BO, dc) in corner, mark corner ch2sp, (BO, dc,) in the middle of each Vst to next corner* Repeat 4 times, Join. Fasten off
**Total per side = 55 Bobbles**

WORKING ON RIGHT SIDE

Round 57
Start in any ch2 corner. *(Vst, ch2, Vst), Vst in between each bobble to next corner* 4 times, join. Fasten off.
**Total per side = 56 Vsts**

Round 58
Start in any ch2 corner. *4tr in corner sp, 3tr in the middle of each Vst to next corner sp* 4 times, Join.
Total per side = 172 tr

Round 59
Ch1, dc in same st, dc in each st around the entire blanket, Join, Fasten off.
Total per side = 172 dc

Important: Place stitch markers in the back loops of the 2nd and 3rd st of each corner 4dc.

Now we can fasten our ends away; I find the best way to fasten off is to loop the end around the edging, pulling to the back of the blanket and securely weaving back and forth. Shown in RED.

Congratulation you have finished Part Six
